Una delle

più

belle

Diana.

Qui

il

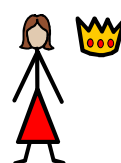

Re

ballavano,

facevano

Guardo in alto e vedo una ragazza disegnata sul

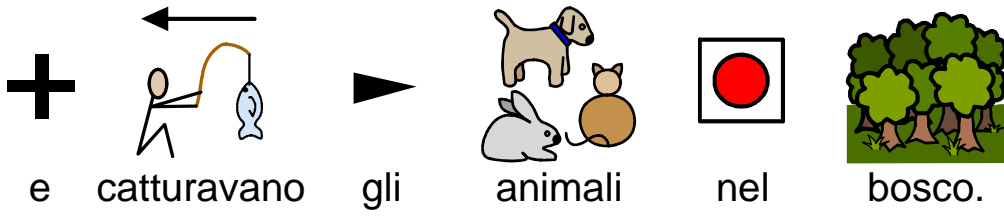

soffitto che si chiama Diana, la ragazza con una

mezzaluna sulla testa, a Diana piace stare in mezzo alla

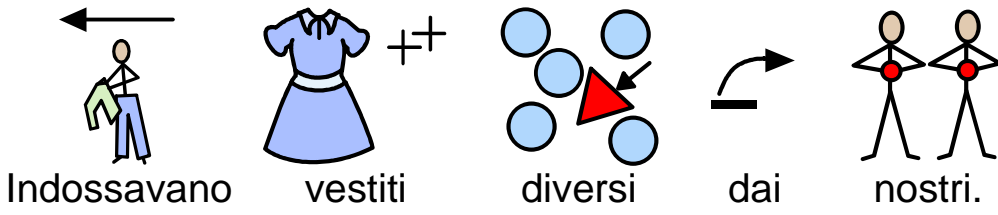

natura.

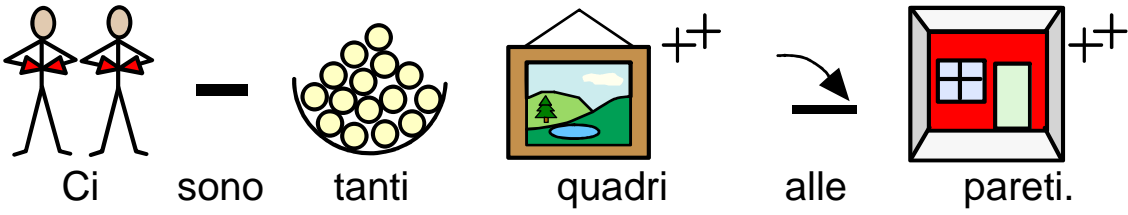

Il re e la regina andavano a caccia, cercavano

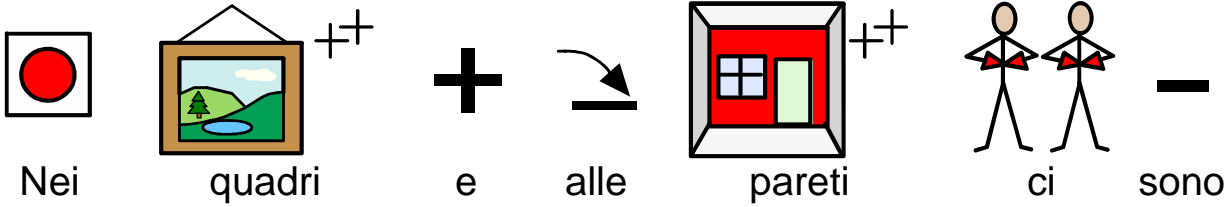

e catturavano gli animali nel bosco.

Indossavano vestiti diversi dai nostri.

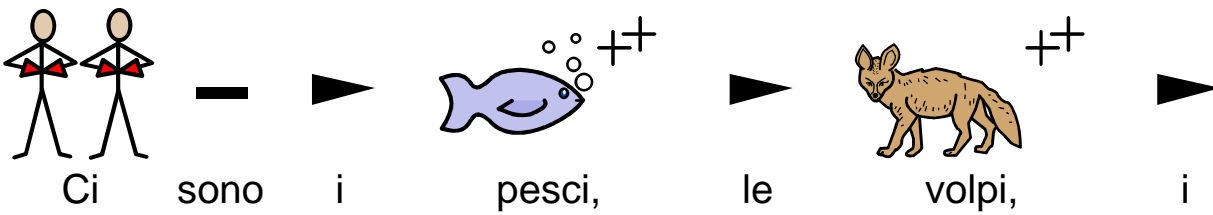

Ci sono tanti quadri alle pareti.

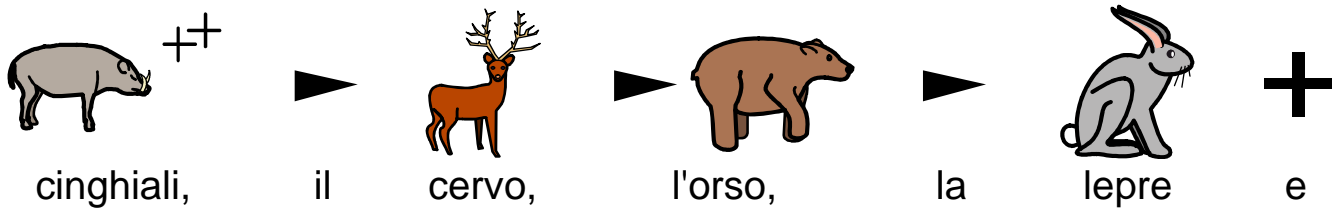

Nei quadri e alle pareti ci sono

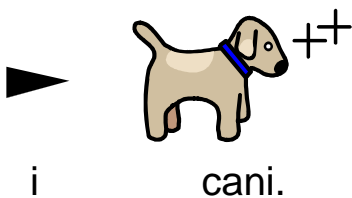

figure di animali. Li cerco.

Ci sono i pesci, le volpi, i

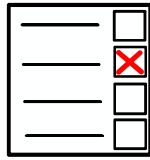

cinghiali, il cervo, l'orso, la lepre e

i cani.
